A Tramite l'indice figurativo generale, posto all'inizio del catalogo, si individua il numero di indice figurativo dei gruppi relativo alla parte della macchina che interessa.

B Nell'indice figurativo dei gruppi sono indicati i numeri di tavola dove si sviluppano i particolari. I simboli indicano le versioni di appartenenza (vedi «tavola dei simboli»).

C Su ogni tavola, ad ogni particolare, è attribuito il numero di riferimento ed il relativo numero di codice. I simboli indicano le versioni di appartenenza e/o le specifiche possibili.

Di seguito agli indici figurativi dei gruppi si trovano: l'indice dei titoli delle tavole che compongono il catalogo, l'indice numerico dei componenti (in ordine progressivo), con i relativi numeri di tavola, di riferimento, specifiche tecniche e denominazioni.

Questo documento può essere completato da un "Allegato", contenente informazioni sulla specifica configurazione della macchina.
